# An outstanding education

Welcome to Clitheroe Royal Grammar School.

Our school, founded in 1554, has a tradition of academic excellence and a forward-thinking ethos, firmly rooted in the 21st century.

The Sixth Form, which is housed in its own centre at York Street, is part of our outstanding 11-18 grammar school, one of the country's highest achieving schools. High standards and truly fantastic results are a reflection of our exceptional students and staff.

Our Sixth Form is vibrant, diverse and extremely popular and does not have a catchment area. We welcome students from over 40 secondary schools, across Lancashire and beyond.

Our expert and highly committed staff will give you the confidence to succeed in a rapidly changing world. We provide an inclusive education that will support, challenge and inspire you to achieve your best. High quality and innovative teaching and learning will enable you to realise your full potential and achieve your ambitions, whatever they may be.

We aim to develop confident, positive, reflective and successful young people. Central to this is our excellent pastoral system. We build strong partnerships with parents and carers, which contributes to our students' success. We are proud to welcome students from the same family, with many of our young people choosing to follow in the footsteps of their siblings, parents and grandparents.
