Something magical is happening this Christmas...

Treat the whole family to a music box of delights this Christmas, as they witness the magic of 'The Snowman' film on a big screen, brought to life by some of the UK's finest musicians.

A perennial favourite, the highlight of the film for many is the evocative 'Walking in the Air', sung by a young soloist. Not a dry eye in the house!

We are also delighted to present a world exclusive: an animated film of David Litchfield's award-winning book **'The Bear and the Piano'**, with the unmistakable voice of **Joanna Lumley**.

With other Christmas crackers - including a toe-tapping Christmas medley and a visit from a surprise conductor! - it's a truly memorable experience for all ages, and a wonderful opportunity for the whole family to create lasting memories.
