CRGS CAREERS BULLETIN

UCAS

Struggling with getting moving with drafting your **Personal Statement** for your UCAS application? The Personal Statement builder might help. This can help with preparing for apprenticeship applications too.

unifrog

Remember to use your **Unifrog** account to explore career pathways and opportunities and hear from industry professionals. You can sign up for the latest webinars [here](#).

APPRENTICESHIP RESOURCES AT WWW.UCAS.COM

UCAS

You can find out about **Apprenticeships and Degree Apprenticeships** on the UCAS website. You can also use the UCAS apprenticeship search tool to search for current vacancies.

A few big companies that you may be interested in: **British Airways** find out about their programmes and register for alerts. To check out **BAE Systems** click here. Here is the **Rolls Royce** information page. Companies such as these have many different career routes too including finance and business management.

SIXTH FORM

SACU

Struggling to find courses/careers/apprenticeships that you're interested in?

Don't worry, the **SACU website** can help. It might be time to try the **SACU Career Quiz**, or, to try it again, if you did it previously.

You'll then get access to your personalised **subject, career and apprenticeships clouds**.

Why not give it a go?!

You could also try their A Level to Degree courses **matcher tool**. Plus explore **labour market information**.

LOOKING FOR AN APPRENTICESHIP?

If you're thinking about applying for apprenticeships, make sure you register and create an account so you can search on the **National Apprenticeships website**. You can also register with **NGTU** notgoingtouni.co.uk to access the latest vacancies and be alerted to new opportunities.
