

MAIN SCHOOL

unifrog

Whatever year group you are in, you can all benefit from using **Unifrog**. Have you tried the [skills quizzes](#) yet?

BBC Careers: present some videos asking some key questions [here](#):

- *What difference do I want to make through my work?*
- *What's important to me when it comes to work? (What are my values?)*
- *What skills do I want to use?*
- *What are the job prospects like, both now and in the future, for the industries I'm interested in?*
- *Who can help me find more information & advice?*

Building on the key questions above:

Careerometer compares **3 different careers**. See how earning potential and predicted job growth compare.

What will you search for this time?

What will the jobs market look like in the future? - in 'The Age of AI'? This [report](#) offers some ideas of jobs that could be in demand. The image (below), is taken from the report. What do you think about what it says?

VIRTUAL WORK EXPERIENCE:

Click below for age-specific virtual work experience opportunities with Springpod: [Years 7 & 8;](#) [Years 9-11](#)

You can find subject-specific opportunities, for example:

There is a [Geography work experience programme](#) run by the [Royal Geographical Society](#), that will take c.8hrs to complete. This is aimed at students over 13 years of age.

YEAR 11 STUDENTS: if you are still looking for an Apprenticeship, click here to browse opportunities.

Plus: Access the latest Amazing Apprenticeships 'now recruiting' page [here](#).

To access the **Amazing Apprenticeships, Student Zone:** click [here](#). There is lots of information to help you to understand Apprenticeships.

Looking ahead: If you are considering **university as a future option**, do you know which universities score highest in the **rankings?** Including for different subjects?

The [Guardian University Guide 2026](#) and the [Complete University Guide](#) may be of interest. There are also the [Times Higher Education world rankings](#).

The Four Human Superpowers AI Can't Replicate

Emotional Intelligence

Reading rooms, building trust, navigating conflict, and providing genuine empathy.

Healthcare, Counseling, Diplomacy, Teaching, Social Work

Creative Vision
