During exam week you will go to your normal lesson and take your exam in line with the timetable above. So for example, if you normally have a lesson with Mr Carson on Wednesday period 1 in room C09, you will go to that room and complete your Biology exam. With option subjects, if you do not study the subject, then you will revise in that room during that period.

The room you go to for each period will be the same as your normal timetabled lessons **except** where there has been a room change and this has been indicated on the timetable with an asterisk *.

When you do not have an exam you will go to your timetabled lesson. This may be a PE lesson (where you would usually have PE) or you may undertake revision in your usual classrooms.

If you have any queries about your timetable please go to reception with your question.
