

CRGS Sixth Form 2026 A Level Results Day Frequently Asked Questions

1. How will I receive my results?

We will email you your results to your school email address to ensure that they are with you by 8:00am on 13th August. Therefore, it is important that you have access to this account prior to the day. We will also post a copy of your results to the address we have on record for you.

2. How can I prepare for Results Day?

Make sure that you can access both your school email address and your UCAS Hub account (if you have applied to university). Read this [advice from UCAS about preparing for Results Day](#).

3. When will I find out about my university place?

The UCAS Hub will update at 8.00am. It is vital that you are able to access UCAS Hub on the day. Universities have been told not to contact students prior to this time. It is important to check the UCAS Hub to find out the status of your application – do not assume that if you have not met the conditions of your offer that you have not been awarded a place.

Further information about this is detailed in the separate documents – *UCAS: What Happens Now? and Confirmation and Clearing Checklist for Students*. This document contains lots of useful help and advice. This should be your starting point. Remember your Senior Tutor is available to provide help and advice, as detailed in question 4.

4. I need some one-to-one advice about my next steps – can I speak to someone?

If, on Results Day, you would like to speak to your Senior Tutor or Mrs Howard you can either:

- Call us on 01200 423118 to arrange a telephone call back; or
- Come into the Sixth Form from 8.00am – 4.00pm. No appointment is necessary!
- Email us on sixthform@crqs.org.uk and we will forward your email to the most appropriate person to help you.

Please do not email your Senior Tutor directly. Students will be dealt with in order of their contact, irrespective of how they contact the Sixth Form. Please be assured that we will endeavour to see or speak to you as quickly as we can – we are very mindful that you will be keen to receive information and/or guidance about your next steps in a timely manner.

If your query relates to the grade(s) you were awarded, please see numbers 7- 9

5. I'm wondering if I could get on to a different course or go to a different university...?

You can decline your place from both conditional and unconditional offers. This means it is easier than ever before to switch to another course or university. However, before you do this, we very strongly advise you to explore the other options available by browsing Clearing and be clear on your reasons for making this change.

If you do decide to decline your place or find yourself in Clearing. If you would like help and advice from your Senior Tutor, please contact them as detailed in question 4.

6. I'm thinking that I might not go to university this year...?

If you want to defer your confirmed place, you need to get in touch with the university directly and as a matter of urgency. If your university will not allow you to defer, and you are sure that you do not want to

go to university this year, you will then need to withdraw from the 2026 application cycle and reapply for September 2027 entry.

If you wish to reapply for UCAS next year, please note that the school internal deadlines are 22nd September 2026 (for Early Entrants), 17th November 2026 for all other applicants (to ensure that your application is sent to UCAS before the Christmas break) and 8th December 2026 (to ensure that your application is sent to UCAS before the Equal Consideration Deadline). Please contact the Sixth Form in September and ask to speak to the Careers Office if you are thinking of applying via UCAS for 2027 entry.

7. Can I appeal the grade(s) I have been awarded?

You can request a review of your marks. Please note that you will have received an email containing your marks for the separate papers and the grade boundaries for these papers can be found on the [Exams](#) section of our website. There are three possible services:

Service 1 - Clerical Check

A copy of the clerically checked script can be requested as part of this service at an additional cost by some awarding bodies. This service includes the following checks:

- The marks have been recorded/added up correctly.
- Special consideration has been applied (where appropriate)
- The grade boundaries have been applied accurately.
- This service includes a copy of script.

The outcome will be available within 10 calendar days.

Service 2 - Review of Marking

A check by an examination board senior examiner, this review of marking checks that examiners have marked scripts correctly and includes a Clerical Check (service 1).

This is not a re-marking of the script, a copy of the reviewed script is part of the service and supplied at no extra cost.

The outcome will be available within 20 calendar days.

Priority Service 2P - Review of Marking

This is a faster service primarily for Year 13 students whose university place is dependent on the outcome. This review takes priority over others and will be completed as quickly as possible. This is a review of the original marking to ensure that the agreed mark scheme has been applied correctly, and includes a clerical re-check as described above. **This is not a re-marking of the script**. A copy of the reviewed script is part of the service and will be emailed to students along with the outcome at no extra cost.

This service must be applied for immediately as there is a very short deadline.

The outcome will be available within 15 calendar days.

Please note, that following a Review of Marking, your grade may **GO UP, STAY THE SAME OR GO DOWN**. The result cannot be reversed.

8. Can I see a copy of my script?

Copies of marked scripts will allow you to evaluate how you performed on questions. You can determine where marks have been awarded when reviewing scripts. If you are uncertain that the correct mark has been awarded, then you should request a clerical check (Service 1) or review of marking (Service 2).

Access to Scripts – Priority Service

This service provides quick access to your marked exam script to support decisions regarding applying for a review of marking. There is no charge for this service and the scripts will be sent to you electronically.

Access to Scripts – Post Review Copy

This service is if you want a copy of the script once the review of marking has taken place. There is no charge for this service and the scripts will be sent you electronically.

Access to Scripts – Standard Service

This is a standard speed service for when you require a copy of your script to support teaching and learning going forward and there is no charge for this service. **Once this service is used, the candidate may no longer apply for a review of marking for this component.**

The Exams office will be open to deal with A Level **priority** Post Results Services requests on Thursday 13th August between 8.30am and 3.00pm and between 9.00am and 1.00pm on Friday 14th August and Monday 17th August. You can contact the Exams Office via exams@crgs.org.uk or 01200 423118. Further details (including fees) can be found on the [Exams section](#) of the website.

Only Priority Reviews of Marking and Priority Script requests will be processed on these days.

The Exams office will be open for GCSE Post Results Services requests on Thursday 20th August between 8.30am and 3.00pm only.

All other standard service Post Result Services will be processed in the new term.

For any queries, please email exams@crgs.org.uk

9. What should I do if I want to take an examination(s) again to improve my grade(s)?

The first opportunity you will have to resit your examinations will be next summer. If this is something you wish to consider, you must email exams@crgs.org.uk during the Autumn Term.
